The childrens sewing school of christ church was commenced by Miss Woodward on Saturday Nov 5th 1859 for the purpose of instructing the members of her Bible Class, and the larger girls of the Sunday School in sewing - afterwards several ladies of the church co-operated with her and the smaller children were added to the School, The Rev Dr Don and C J McRae, cordially approved of the arrangement, the latter named Gentleman wrote a small tract called the Childrens Dorcas. which was distributed in the church, and created in many persons an interest which led them to subscribe liberally to the cause, these subscriptions were devoted to Mission Boxes many of the Garments for which, the children made up. which taught them to do good to others, as well as others doing good to them

Report

Of the Dorcas Society of Christ Church for the year ending March 1st 1862

During the past year the society received from the Annual Collections in the church the sum of one hundred and two dollars seventy nine cents and from private subscriptions thirty-six dollars fifty cents - making a total of one hundred thirty nine dollars twenty nine cents. Of this money one hundred thirty six dollars sixty four cents have been expended leaving a balance in the treasury of two dollars ninety four cents - The money was expended in materials for garments and shoes for the children of the Sunday School and for the poorer members of the congregation -
Two hundred and seventy nine garments have been made and distributed
The church collection was seventy seven dollars less than for the previous year and it is greatly to be hoped it may not

fall off in the same proportion for
the coming year. on the contrary let
additional efforts be made to meet all
demands. The winter bids fair to
be a long and severe one. all articles
of food, clothing and fuel are so much
more costly. it is reasonable to suppose
there will be much suffering. especially
as those who had army work last winter
have had their payment so reduced
as to very indifferently compensate them
for their hard and steady work.

Mrs. E. L. Clark
Secretary.

Nov 28th. 1862.

The first meeting of the Dorcas Society for this winter was held in the Sunday School room as formerly. Ladies present Mrs. Godley - Mrs. Ritter - Miss Lucas - Miss Cooper - the Misses Twamley - Miss Christian Miss Hirst and Miss Lizzy Kent -

The report of the preceding year was read and approved

Some money having been donated it was unanimously agreed to purchase some canton flannel and heavy unbleached muslin at once without waiting for the Annual Collection as the above articles were advancing in price every day.

It was also generally agreed upon to spend the entire day at the room instead of a few hours as formerly - hoping thereby to increase the amount of work as also the interest in the Society -

A donation of ready made garments in Canton Flannel was received - after which the meeting adjourned
